Board of Examiners Reception and Awards Banquet Celebration

Join Us in Honoring our
2000 Board of Examiners and in Recognizing
Prestolite Wire Corporation – Tifton –
Our 2000 Georgia Oglethorpe Award Recipient!

As we celebrate the beginning of our fifth year of the Georgia Oglethorpe Award Process, we close our fourth tremendous year by coming together to recognize Georgia Oglethorpe's first manufacturing and small industry Award Recipient – Prestolite Wire Corporation – Tifton, Georgia. And of course, without the members of our Board of Examiners, who volunteer their time unselfishly, we could not offer the Georgia Oglethorpe assessment, feedback and recognition cycle. Therefore, we will start the evening at 6:00 p.m. on Monday, March 19, 2001 with a reception in honor of our Board of Examiners.

We will enjoy another fun-filled evening of great food, networking, and celebration. Students from the Davidson Fine Arts School will provide us entertainment during the evening. In 1999 and in 2000, the Georgia Public Policy Foundation ranked John S. Davidson Fine Arts Magnet School as Georgia's top high school. It was ranked 2nd in 1998. You will not want to miss this enthusiastic group of young people! And, as a registered conference participant, you can attend both the Board of Examiners reception and the Awards Banquet compliments of Georgia Oglethorpe. Additional banquet tickets may be purchased if you wish to bring a guest. Please refer to the registration information for costs.
